sunfit asothetic promising a built environment for a healthnier tomorrow. Especially paired with the other simultaneous cries of our moment (contomic, social, climatological). Here's a strong case to be made that we could be on track for an urban transformation every bit as sweeping as that which happened a century ago.

Of course, we always could be. The past is littered with unrealized visions for the modern metropolis, from Nor-

t, bits and pieces of them frequently hi

ONLY IN ELLE DECOR

STYLE

SHORTLIST

The most stylish and influential people in the world tell us the essentials they can't live without.

WHAT'S HOT!

Chic new products from the world of design.

POV

Industry insiders share their takes on the latest in design trends and movements.
